

Assembly Bill No. 3033

CHAPTER 759

An act to amend Sections 3600 and 17506 of the Family Code, and to amend Section 408 of the Revenue and Taxation Code, relating to family law.

[Approved by Governor September 20, 2002. Filed
with Secretary of State September 21, 2002.]

LEGISLATIVE COUNSEL'S DIGEST

AB 3033, Committee on Judiciary. Family law.

(1) Existing law authorizes a court to order temporary spousal support during the pendency of any proceeding for dissolution of marriage or legal separation, consistent with specified criteria.

This bill would delete all criteria except those relating to domestic violence, as specified.

(2) Existing law creates, in the Department of Justice, the California Parent Locator Service and Central Registry which is required to collect and disseminate specified information with respect to any parent, putative parent, spouse, or former spouse. Existing law also requires the Director of the Department of Child Support Services to assume responsibility for implementing and managing all aspects of a single statewide automated child support system.

This bill would provide, instead, that upon implementation of the California Child Support Automation System, the Department of Child Support Services shall assume responsibility for the California Parent Locator Service and Central Registry pursuant to a letter of agreement, as specified, and would make related, conforming changes.

(3) Existing law authorizes the staff appraisers of specified state agencies to examine the records, including nonpublic records, of the county assessor.

This bill would authorize the staff appraisers of the Department of Child Services to examine those records.

The people of the State of California do enact as follows:

SECTION 1. Section 3600 of the Family Code is amended to read:

SEC. 3. Section 408 of the Revenue and Taxation Code is amended to read:

408. (a) Except as otherwise provided in subdivisions (b), (c), (d), and (e) any information and records in the assessor's office that are not required by law to be kept or prepared by the assessor, and homeowners' exemption claims, are not public documents and shall not be open to

public inspection. Property receiving the homeowners' exemption shall be clearly identified on the assessment roll. The assessor shall maintain records which shall be open to public inspection to identify those claimants who have been granted the homeowners' exemption.

(b) The assessor may provide any appraisal data in his or her possession to the assessor of any county.

The assessor shall disclose information, furnish abstracts, or permit access to all records in his or her office to law enforcement agencies, the county grand jury, the board of supervisors or their duly authorized agents, employees or representatives when conducting an investigation of the assessor's office pursuant to Section 25303 of the Government Code, the Controller, employees of the Controller for property tax postponement purposes, probate referees, employees of the Franchise Tax Board for tax administration purposes only, staff appraisers of the Department of Financial Institutions, the Department of Transportation, the Department of General Services, the State Board of Equalization, the State Lands Commission, the State Department of Social Services, The Department of Child Support Services, the Department of Water Resources, and other duly authorized legislative or administrative bodies of the state pursuant to their authorization to examine the records. Whenever the assessor discloses information, furnishes abstracts, or permits access to records in his or her office to staff appraisers of the Department of Financial Institutions, the Department of Transportation, the Department of General Services, the State Lands Commission, or the Department of Water Resources pursuant to this section, the department shall reimburse the assessor for any costs incurred as a result thereof.

(c) Upon the request of the tax collector, the assessor shall disclose and provide to the tax collector information used in the preparation of that portion of the unsecured roll for which the taxes thereon are delinquent. The tax collector shall certify to the assessor that he or she needs the information requested for the enforcement of the tax lien in collecting those delinquent taxes. Information requested by the tax collector may include social security numbers, and the assessor shall recover from the tax collector his or her actual and reasonable costs for providing the information. The tax collector shall add the costs described in the preceding sentence to the assessee's delinquent tax lien and collect those costs subject to subdivision (e) of Section 2922.

The assessor shall provide the names of the seller and buyer of each property on which the comparison is based, the location of that property, the date of the sale, and the consideration paid for the property, whether paid in money or otherwise. However, for purposes of providing market data, the assessor shall not display any document relating to the business affairs or property of another.

(e) (1) With respect to information, documents, and records, other than market data as defined in subdivision (d), the assessor shall, upon request of an assessee of property, or his or her designated representative, permit the assessee or representative to inspect or copy all information, documents, and records, including auditors' narrations and workpapers, whether or not required to be kept or prepared by the assessor, relating to the appraisal and the assessment of the assessee's property, and any penalties and interest thereon.

(2) After enrolling an assessment, the assessor shall respond to a written request for information supporting the assessment, including, but not limited to, any appraisal and other data requested by the assessee.

(3) Except as provided in Section 408.1, an assessee, or his or her designated representative, shall not be permitted to inspect or copy information and records that also relate to the property or business affairs of another, unless that disclosure is ordered by a competent court in a proceeding initiated by a taxpayer seeking to challenge the legality of the assessment of his or her property.

(f) (1) Permission for the inspection or copying requested pursuant to subdivision (d) or (e) shall be granted as soon as reasonably possible to the assessee or his or her designated representative.

(2) If the assessee, or his or her designated representative, requests the assessor to make copies of any of the requested records, the assessee shall reimburse the assessor for the reasonable costs incurred in reproducing and providing the copies.

(3) If the assessor fails to permit the inspection or copying of materials or information as requested pursuant to subdivision (d) or (e) and the assessor introduces any requested materials or information at any assessment appeals board hearing, the assessee or his or her representative may request and shall be granted a continuance for a reasonable period of time. The continuance shall extend the two-year period specified in subdivision (c) of Section 1604 for a period of time equal to the period of continuance.
